

Golden Wax 415 Soy Wax

Golden Wax 415 Soy Wax is a pure soy container wax with no additives. Great for blending with natural or paraffin waxes. Can be used by itself, but tops may need refinishing and some frosting may occur.

Single pour with a smooth re-congealed burn pool. It has a slightly higher melt point, enabling it to retain a higher fragrance load that blends well with other waxes. Designed for use in container candles.

Description

Specially formulated soy wax flakes for container candle and wax applications.

Label Ingredient Statement

Soy Wax. Contains partially hydrogenated vegetable oil(s). To be used in accordance with applicable laws and regulations of United States (US Food and Drug Administration, 21 CFR Part 170) and country of import.
